Whether your organization has a presence at the festival – or especially if you don’t – we hope you will take advantage of this powerful and affordable opportunity to promote your environmental message. Earth Day Indiana’s Festival Guide is a display of community support for the environment, and the editorial content produced by Earth Day Indiana provides useful information about the festival and protecting the environment.

This publication is distributed through *The Indianapolis Star’s* delivery to a half-million readers a few days before the festival. The Star also publishes the guide on their popular Web site in April and May with links to you. The guide also will be displayed at **earthdayindiana.org**.
